Stuck for a story? Pick a card and let your adventure begin!

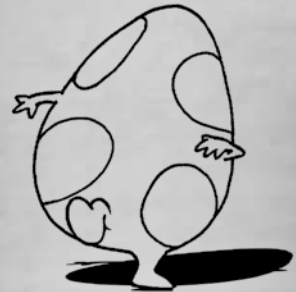

Captain Cod and his crew are on a mission to the Moon, but unfortunately the mission has gone wrong. What crazy adventures could they have now?

Oh no! Someone has pulled the plug out of the black hole. One rocket is already in danger of being sucked in – what will greet the crew on the other side?

And you thought Easter eggs were made from chocolate... The Eggs on Easter Planet might have something to say about that!

Pollution Planet is getting worse than ever. One of its inhabitants, Sluggerfly, wants to improve the environment. Can anyone assist him?

Banana Boy is feeling courageous. Are there any planets in trouble that need saving?

A famous florist is after a new species of flower. The trouble is, anyone who gets too close to this pretty plant seems to disappear...
