Could you be a Star?

What's YOUR star talent? Find out with this fun quiz!

Mostly As:

You're a **DANCE STAR** like SPIKE

Although deaf since birth, Verity 'Spike' Nash is a dancer of exceptional talent. Highly individual in her tastes, with her punky hair and offbeat charity-shop clothes, Spike is a funny and sensitive friend to her room-mates, and especially to Jess, with whom she forms a close bond. Quietly but fiercely ambitious, and dedicated to her dancing, Spike dreams of joining a classical ballet company. And, like all her room-mates, of meeting the right boy and falling in love... Fit, healthy and bursting with energy, you can be competitive, but you're a good team player too – whatever you set your mind to, you can achieve!

Mostly Bs:

You're a **MOVIE STAR** like FOXY!

Green-eyed, self-assured and chic, and with parents 'in the business', Eleanor Fox is clearly going to be someone, even if she hasn't quite made her mind up who. And if life at Arcadia is not always as elegant as she would like it to be – 'Netball? Please! Get real' – it offers plenty of opportunity for amusement and adventure. Her room-mates envy Foxy her reckless confidence, but will it lead them into trouble they can't get out of?

Mostly Cs:

You're a **ROCK STAR** like ASH!

Although the youngest of the four friends, it's usually gentle-natured Ash who sounds the warning note when their plans get too nutty. Always the first out of bed in the morning, always neat and tidy, this self-styled 'princess' is very much the cautious type. On stage, though, another Ashanti Taylor appears. An awesomely talented singer, prepared to try anything. Pop, soul, R&B, she takes it all in her stride. Her ambition: 'To make a name, carve out a career, win respect.'

Mostly Ds:

You're a **SUPER STAR** like JESS!

When Jessica Bailey first goes to the Arcadia School of Performing Arts, she thinks of herself as 'an ordinary girl' surrounded by extraordinary talents. She's not cool and elegant like Foxy, and she can't sing like Ash or dance like Spike. But she's determined, and she works hard, and gradually her own talent reveals itself. Colette Jones, the school's head of drama, is the first to spot Jess's exceptional promise as an actress. But her room-mates already know her as a loyal and very special friend, who will stand by them even when the going gets tough. Which at Arcadia, is often!
