LAST WORD

My Ten Favourite Disgusting		
Words	<i>Roger Stevens</i>	125

Champion of the School

I'm the loudest burping, armpit honking
Top paper plane making
Best funny face pulling
Double jointed knuckle crackling
Most consistent homework losing
Most inventive earwax moulding
Highest number chip chewing
Biggest bubblegum blowing
Smelliest sweaty sock sniffing
Furthest paper pellet throwing
Most finger nose picking
Long distance bogey flicking
Raspberry blowing, tongue sticking
Ear clipping, bottom kicking
Pimple popping, zit splitting
Wall hitting slick spitting
Sneezing, wheezing, toe cheeing
Thunderpanted loud chanted
Champion of The School!

Signed,
Miss B. A. Ving
(Reception Teacher)

Babies Don't Care

What's your baby brother doing?
Why's he gone all red?
Why's he screwing up his face
And shaking his bald head?
Why's he wriggling like that –
All squirmy in his seat?
And why's he stretching out his legs
From his hips down to his feet?
Oh, he looks OK now
He's grinning. Seems quite happy.

Happy? He's ecstatic...
He's just filled up his nappy.

WIND SECTION

A Sports Teacher from Milton Keynes

A sports teacher from Milton Keynes
Had a taste for curried baked beans
Quite often he'd blast
Pupils all looked aghast
As his tracksuits exploded and steamed.
