

A little bit **BRAVE** BY NICOLA KINNEAR

HOW TO DRAW LOGAN

1. Let's start with Logan's head!

2. Add in his ears and the top of his scarf.

3. Draw in Logan's eyes, nose, whiskers and ears.

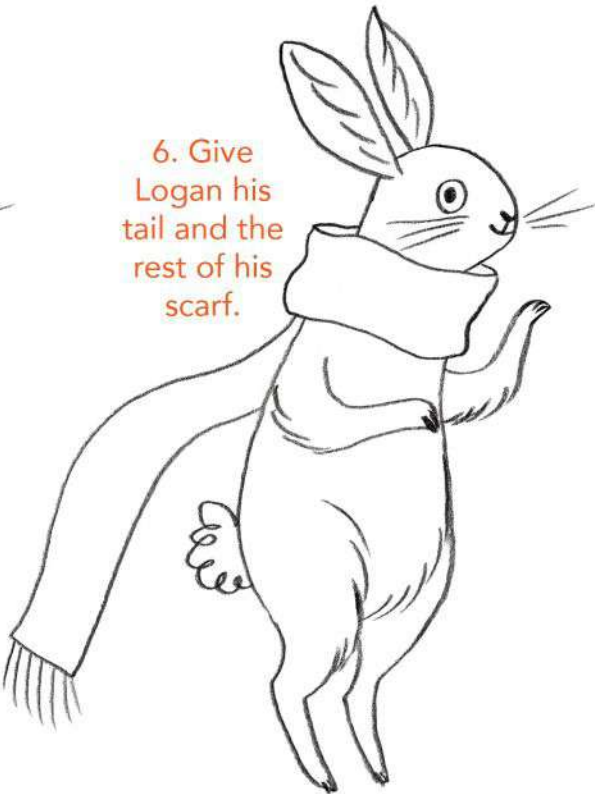

4. Draw Logan's body.

5. Add Logan's arms and legs.

6. Give Logan his tail and the rest of his scarf.

7. Now, for the fun bit - let's colour him in!

psst...you can now draw Luna too! Just add some freckles. Remember, she doesn't wear a scarf though.
