

With a dash of imagination, sometimes broken toys can become the best toys!

How could you use the everyday objects below to create a brand new invention?

Draw your inventions below and give them a name.

An egg carton

Name: _____

A cereal box

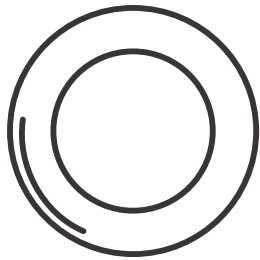

Name: _____

With a dash of imagination, sometimes broken toys can become the best toys!

How could you use the everyday objects below to create a brand new invention?

Draw your inventions below and give them a name.

Paper plates

Name: _____

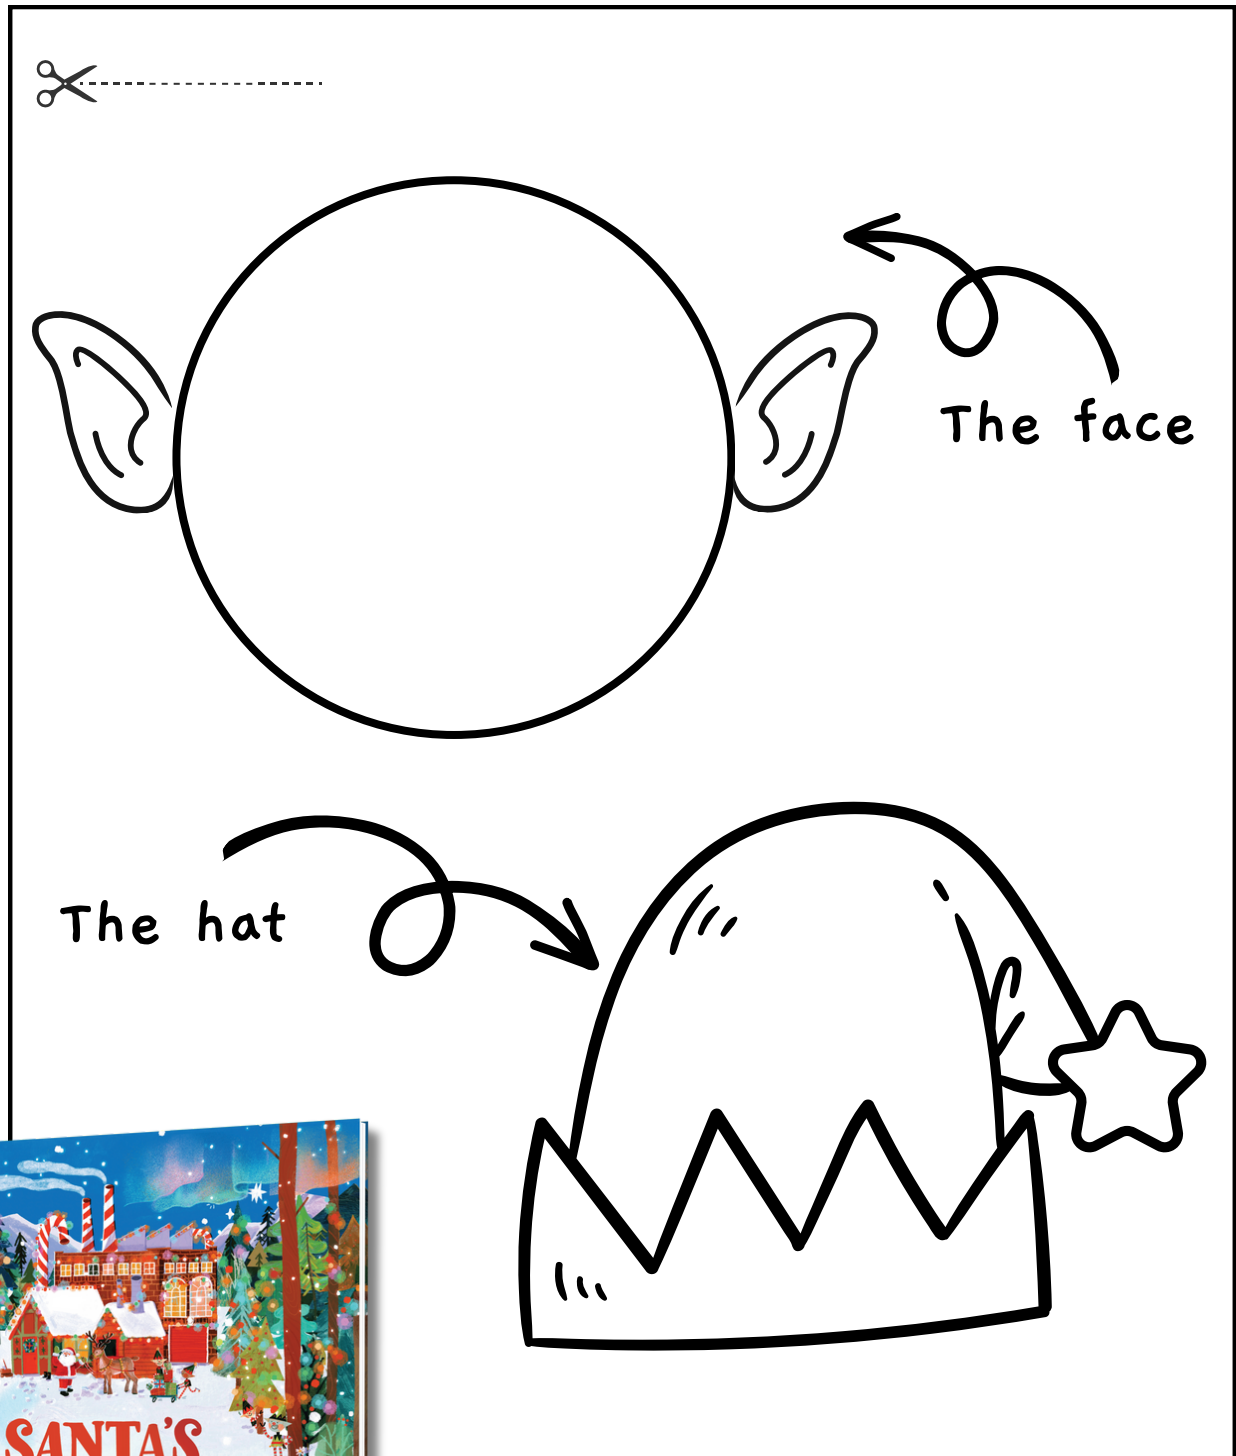

A bottle

Name: _____

Create your own elfbot

Cut out the elfbot parts below to construct your very own helper!
Use items around your house to create the body and limbs e.g. toilet paper roll for the body and lollipop sticks for the arms and legs!

Name your own workshop

Imagine that you have to open a brand new workshop to help Santa get toys ready for Christmas! Come up with some names that you would call your workshop in the space below.

1. _____

2. _____

3. _____

4. _____

Name: _____

Escape the maze

Help the elfbot through the maze to reach the present. Be sure to hurry so that they can deliver it to Santa's workshop in time!
